

**The Golden Spur
The Newsletter of the Canadian Association of Forces Linemen
December 2018**

*Merry Christmas
And A Very Happy
New Year*

To All Members and Their Families

PRESIDENT'S MESSAGE

Best wishes, Merry Christmas and a very Happy New Year to all serving members, retired Linemen, their friends, families and all friends of the Line Trade.

It's been another great year for the Canadian Association of Forces Linemen and an excellent year for the Line Trade. The stand-up of 77 Line Regiment continues to move forward, and now with the amalgamation of 1st, 2nd and 3rd Line Work Centers under a unified chain of command will no doubt enhance the Trade's ability to support the Canadian Armed Forces anytime and anywhere. We have included, in this edition of the Golden Spur, articles from Padre's Corner, Retired Linemen Liaison Officer. I'm sure you will enjoy reading them. As well, we have included an interim membership list for your review and comments.

There were no application for last year's scholarship award although I'm sure there will be interest at this year's AGM and look forward to the upcoming submissions.

This year we saw new changes in the national executive leadership for the Association with the addition of new members with John "Soupy" Campbell as the membership Rep and Neil Reese as the new web master. All our new National Executive members have done outstanding work and put forth new initiatives to better serve the CAFL community. Please take a few minutes to review the CAFL website to support our fallen and injured brothers this past year at <http://cafl.org>. In the New Year, there will be a membership push to ensure all past and future members receive the CAFL Membership Card and Pin that shall be in the mail shortly after our next Annual General Meeting, (AGM), which will be our 31st. The AGM will be held in Cornwall On, Feb 4th 2019. I would like to thank everyone for their support in my time as President.

Enjoy the Christmas season with friends and family. I hope to see many of you in the upcoming year. I thank you all greatly for the contributions to this newsletter, the association and to the Trade. Good luck, all the best over the holidays to you, our Brothers and Sisters currently on Operations as well as their families throughout the upcoming year.

Kevin Duffett
President

CAFL Padre's Corner

During this time of the year in most Christian countries we hear the stories of the Holy Family, the Bethlehem event on Christmas eve, and the child Jesus born as our savior; a Divine light for all the world.

For many and for various reasons, God is still not part of the scheme of things in their lives; or perhaps he is that little boy's image of a man-angel dressed in white sitting on a throne, looking down from "out there", somewhere. When we begin to realize that this is simply inadequate, many of react very severely and get tangled up in all sorts of doubts and rejection. Afterall, maybe there isn't anything to this whole business of God or religion.

There is a tremendous amount of doubt in today's world and church, concerning God and religion. But every time we pick up a book by Biblical writers we are told that we begin to mature in our understanding of God only when we have given due reverence to the source of all life, and the Creator of everything that is. When we say, "I can't believe until I solve all my intellectual problems first," or "I can't believe because God isn't a king dressed in a white robe sitting on a throne," we are shutting ourselves off from real evidence that makes resolution of the problem possible. There must first be an inward turning toward the *Ultimate, the Holy One, the Wondrous source of all life and creation*. Only then can we be open to the experience of God touching our life in a way that gives meaning and purpose.

The most important decision a person will ever make in their lifetime is the decision about belief and trust in God who made you. It is an inward journey that you must choose in order to begin, then step out of your comfort zone to a community or church to respond or fulfill it.

Christmas is about the fact that a Holy God has given you his Son Jesus the Christ, to be always at your side as you journey down the river of life during the good or bad times. Trust in Him to fulfill His promise of peace and brotherhood with unspeakable joy. This is the whole point of the Christmas story.

CAFL Padre Lee Winchester+

May all Military Linemen, (serving or retired),
and your love ones
have a Blessed Christmas and Happy 2019

Season's Greetings from

A TROOP

5 LINE SQN LLWC GANDER

Happy Holidays from LLWC Gander. This year has been filled with projects. We had RLWC Petawawa come in to replace our cross-loop antenna completed in December of 2017 which I believe missed the last Golden Spur write-up which is why I am mentioning it now. We had RLWC Halifax make the trip to the rock in order to complete our Fibre Cut-over in the spring/summer. We have also had the Fire alarm project that had been going on all year thus far, which we are coming closer to completion. Marty also welcomed his daughter Maisie into the world on July 14th, Congrats!

Cpl Tuttle

L-R: Cpl Tuttle, MCpl Organ, Cpl Eichler.

Season's Greetings from

A TROOP

5 LINE SQN LLWC GREENWOOD

*Season's Greetings from
5 Line SQN LLWC Greenwood*

It has been another busy year in Greenwood. Although we have had no new faces join our little group we still have Sgt Mark Ramsay spearheading our LLWC as the LCF. His 2 I/C Henry Crane has completed his first full year in Greenwood. Cpl Ron Keegan is still here but may be leaving us this posting season after 6 years. Cpl Donovan has also completed his first year in Greenwood.

We have done a few projects like upgrading the Ammo compound with new pull pits and cabling. We also assisted the Halifax RLWC in the installation of fiber for the brand new control tower being built on the wing.

This Spring Cpl Donovan was sent on tour to Latvia as part of Enhanced Forward Presence Group which was the first sustainment crew on ground for 77 Line Regt. While Cpl Donovan was away the crew in Greenwood looked after all the jobs including work orders, cable locates, emergency jobs and new installs to keep 14 Wing running smoothly.

We're looking forward to the New Year and all the challenges it may bring, whether it be a posting, promotion or tour. We are once again ready to make 2019 a good year with many happy clients here in 14 Wing Greenwood.

Cpl Donovan & Cpl Keegan
5 Line SQN LLWC Greenwood

L-R: Cpl Donovan, Sgt Ramsay, MCpl Crane, Cpl Keegan

We would like to take this opportunity to wish all fellow linemen both at home and away a very Merry Christmas and all the best in the New Year!

A TROOP

5 LINE SQN LLWC GAGETOWN

Season's Greetings from the Line Crew here in Gagetown. It has been a very busy year, with countless work orders, emergency repairs, Ex Collaborative Effort and of course the big move from Building D9 to K63/K331.

We have seen a lot of personnel change with numerous postings, retirements and releases. Cpl's Blaquiere and Maddigan are adjusting well to all the new friendly sarcastic faces. Our newest members include three's company Pte's Calhoun, Chappel and Matthews, we have Cpl Knaggs who sports the greatest moustache since Jimmy Yates, MCpl Savoy, Dave not Mitch, MCpl admin NCO Martineau and the greater half of the Skalaa brothers WO Rudy Skalaa. Sgt Galbraith returned from his 6 month deployment in Latvia with the ability to speak Russian? MCpl Underhill can feel a little more of a Lineman after completing his DP2.1. Finally MCpl Gallant and Cpl Harvey are enjoying all you can eat pork and chicken in Latvia until their deployment ends in February.

We are settling in just fine at our new locations K63 and K331, although a lot smaller than D9. Fortunately MCpl Berube's organizational skills are on point! After two months of packing, loading, unloading and unpacking I can confidently say we do a better job than BGRS when it comes to planning a move!

In all seriousness, we are grateful for our crew and the work we are producing and maintaining on Base. All of us here at 5 Line SQN LLWC Gagetown would like to wish all of our line brothers and sisters across Canada, the Regiment and deployed abroad as well as their families a safe and happy holiday season!

MCpl Dan Martineau

L-R: Pte Matthews, Mike Patterson, WO Skalaa, Pte Chappel, Cpl Maddigan, MCpl Martineau, Pte Calhoun, Cpl Knaggs, MCpl Savoy, MCpl Berube, Sgt Galbraith, Cpl Blaquiere.

77^e Régiment des Lignes / 2^e Esc des Lignes CTLL de Bagotville

L'année 2018 a amenée plusieurs défis de taille pour le CTLL de Bagotville : Demandes de travail, permis de creusage, déploiements et entre autres, le G-7 qui a été un événement majeur.

En mars dernier, le Cpl Dion s'est porté volontaire pour un déploiement afin d'appuyer l'opération Réassurance en Lettonie. Depuis octobre dernier, l'équipe des lignes de Bagotville est à nouveau complète.

Le Sommet du G-7 qui se tenait dans la région de Charlevoix au mois de juin ne fut pas de tout repos pour les membres de l'équipe puisque les dirigeants des pays du G-7 atterrissaient à Bagotville. Durant les semaines précédant l'événement, nous avons dû faire plusieurs installations de câblage temporaires. De plus, des rotations de quart de travail ont été faites en alternance entre les membres durant une semaine afin d'assurer le bon fonctionnement des installations.

Le passage du Sgt Pascal Morneau aura été de courte durée avec le Détachement de Bagotville. Après seulement deux ans, il a été promu au grade d'adjudant et il nous a quittés pour Petawawa. Il a été remplacé par le Sgt Demers.

De la part du CTLL de Bagotville
Nous vous souhaitons un joyeux Noël et
une année à venir remplie de nouveaux défis défis.

2 Line Squadron LLWC Bagotville / 77 Line Regiment

The year 2018 brought several major challenges for the LLWC Bagotville: Work Requests, Digging Permits, Deployments and among others, the G-7, which was a major event.

Last March, Cpl Dion volunteered for a deployment to support OP REASSURANCE in Latvia. Since last October, the Bagotville line team is again complete.

The G-7 Summit held in the Charlevoix region in June was not easy for the team members as the leaders of the G-7 countries landed in Bagotville. In the weeks leading up to the event, we had to do several temporary wiring installations. In addition, shift rotations were alternated between the members for one week to ensure the proper operation of the facilities.

Sgt Pascal Morneau's time was short-lived with the Bagotville Detachment. After only two years, he was promoted to Warrant Officer and he left us for Petawawa and replaced by Sgt Demers.

From the Bagotville LLWC
We wish you a Merry Christmas and
a new year filled with new challenges.

7^e Régiment des Lignes / 2^e Esc des Lignes CTLL de Valcartier

Il y a eu beaucoup d'actions cette année à Valcartier. Plusieurs de nos membres ont eu l'opportunité d'aller outre-mer. Nos membres, Cplc Éric Gibson, Cplc Lessito Augustin et récemment Sgt «Chico» Tremblay ont tous été déployés. Dans un autre ordre d'idée, Cpl Michael Tremblay a eu un merveilleux petit bébé, il a donc pris quelque temps de congé pour s'occuper de sa petite famille.

Avec tous ces départs, comme on dit, il ne restait plus grand monde à la shop! Heureusement que cet été le Sdt B Labelle s'est joint à nous et a pu nous donner un bon coup de main. En l'absence du Sgt Tremblay, le Sgt Alain Demers vient maintenant passer quelques jours par semaine avec nous. Il y a également L'Adj Richard Poirier, qui est arrivé en poste l'été passé. Ils s'assurent, tous les deux, que le détachement demeure hautement efficace!

L'année 2018 a commencé en force avec l'EX UNIFIED RESOLVE que nous avons supporté. Il y a eu aussi toutes les tâches reliées au sommet du G7. Ce sommet nous a demandé beaucoup de travail et de temps. Avec tous les travaux qui ont eu lieu sur la Garnison de Valcartier, nous avons aussi eu droit à plusieurs coupures de câbles notamment au Centre de recherche. Tout cela a perturbé les NIACS, MACs et la maintenance. Il ne manquait pas d'ouvrage pour les deux caporaux restés pour défendre le fort, Cpl Cole Caldwell et Cpl François Côté-Brunet. Ainsi que pour M. J-C Paiement et M. Dan Guénard de SPC qui travaillent tous deux avec nous.

Au nom de tout le détachement de Valcartier

Nous vous souhaitons à tous et à toutes un joyeux temps

des fêtes et une bonne année 2019!

2 Line Squadron LLWC Valcartier / 77 Line Regiment

There was a lot of action this year in Valcartier. Many of our members had the opportunity to go fight overseas. Our members, MCpl Eric Gibson, MCpl Lessito Augustin and recently Sgt "Chico" Tremblay have all been deployed. On a different note, Cpl Michael Tremblay had a wonderful little baby, so he took some time off to look after his little family.

With all these departures, as they say, there were not many people at the shop! Fortunately, this summer, Pte B Labelle joined us and was able to give us a good helping hand. In the absence of Sgt Tremblay, Sgt Alain Demers is now spending a few days a week with us. There is also WO Richard Poirier, who arrived last summer. They both make sure that the detachment remains highly effective!

The year 2018 began in force with the EX UNIFIED RESOLVE that we supported. There were also all the tasks related to the G7 summit. This summit required a lot of work and time. With all the work that took place at the Garrison Valcartier, we also had several cable cuts, at the Research Center among others. All this disrupted the NIACS, MACs and maintenance. There was no shortage of work for the two corporals left to defend the fort, Cpl Cole Caldwell and Cpl François Côté-Brunet. As well as Mr. J-C Paiement and Mr. Dan Guénard from SPC who both work with us.

On behalf of the entire Valcartier detachment

We wish you all a happy holiday season and a Happy

New Year 2019!

Les poseurs de lignes de la 5^e Brigade et du QGET 2018

L'année 2018 a une fois de plus été très fructueuse en termes de défis et de bons coups pour tous les poseurs de lignes du QGET et de la Bde. La section des lignes du QGET a travaillé conjointement avec les détachements des lignes des autres unités de la Bde pour les exercices UNIFIED RESOLVE 18, MAPLE RESOLVE 18, OP CADENCE 18 et TRIDENT JUNCTURE 18, pour en nommer que quelques-uns. Voici en quelques mots ce que notre travail d'équipe a accompli.

L'année 2018 a commencé en force avec l'exercice UNIFIED RESOLVE 18. Les poseurs de lignes de la Bde ont installé plusieurs kilomètres de TFOCA afin d'établir les liens nécessaires entre complexe de la Bde et de la 2e Division. Ces installations, nous ont permis de mettre à profit plusieurs de nos véhicules spécifiques comme les motoneiges et les Gators étant donné les conditions de température hivernales et la très grande accumulation de neige. Après l'installation d'une centaine de drums de TFOCA à l'extérieur du CSEM 3, nous avons installé le câblage intérieur pour une vingtaine de tentes. Notre plus grand défi a été sans aucun doute le câblage du CSEM 3 qui comptait plus de 600 lignes de Cat5.

Au début du mois d'avril, la 5e Brigade s'est déployée à Wainwright en Alberta pour l'exercice MAPLE RESOLVE 18. Tous les poseurs de lignes de la Bde ont participé à l'exercice en mettant à contribution les efforts de chacun pour le succès de l'exercice. Encore une fois plus de 100 drums de TFOCA ont été utilisés durant l'installation. Notre plus grande réalisation a été d'utiliser avec succès notre SEV MDF qui a été configuré quelques temps avant le déploiement mais qui avait été toujours utilisé en garnison. Cet exercice a eu pour but de confirmer les compétences acquises lors de tous les exercices durant la montée en puissance pour tous les poseurs de lignes de la Brigade à Valcartier.

Deux de nos membres ont été déployés sur OP Cadence qui visait à supporter le sommet du G7 à la Malbaie. De plus, les poseurs de lignes du QGET, ont été en mesure d'effectuer quelques installations d'importantes pour cet exercice.

Suite à la période estivale, la section des lignes a fait face à un éventail de défis vis-à-vis le déploiement pour l'exercice TRIDENT JUNCTURE 18. Nous avons déployé beaucoup d'équipement pour assurer le support à la Bde durant l'exercice de L'OTAN en Norvège. La section était composée de 11 poseurs de lignes. Nous avons déployé avec deux seacons d'équipement, trois Claks, un G-Wagon et un Gator, pour une période de six semaines.

En terminant, nous sommes très fiers de pouvoir dire que l'équipe formée du Cplc Drolet, Cpl Morin, Cpl Savard et Cpl Daigle ont remporté le trophée de la compétition du Défi Jean Romard en septembre passé à Kingston.

Au le nom de la section de lignes du QGET au 5 GBMC, nous vous souhaitons un très Joyeux Noël et une heureuse nouvelle année!

Cheers!

Sdt Fournier, Cpl Peters
5 GBMC Valcartier
QGET/ TP C / son des Lignes

2 Line Squadron LLWC MTL / SJN / 77 Line Regiment

Year 2018 has been a terrific year for 77 Line Regiment 2 Line Squadron, LLWC Saint-Jean and Montreal. This year, we have been able to locate our own underground cable without the help of the famous hydraulic cable locator that all the contractors in the region are using. Every year without a cable cut is a good one, considering all the new buildings going up on our respective bases. Crews from LLWC Montreal and Saint-Jean are still working very closely together, not always by choice but mostly because of shortage of staff. This year, has been a great one, we acquired a brand new MCpl, fresh from his yearlong French course. MCpl Potwarka was making great progress, practicing every day with his subordinates, communicating with Base CE and getting to know the local culture. Then Sgt Comeau's frequent visits to mentor his new MCpl ruined him! Seriously we must keep Sgt Comeau away from this guy or his last year in language school will go to waste! That being said, the member will have his time away which will enable recovery from the recent damage, when he goes on his field portion of his PLQ-L in Meaford. He should really enjoy Meaford in January and February, apparently it is a great scenery. Not to forget all the learning, where he will absorb all the required knowledge to properly supervise a Line Crew. Year 2018 was perfect until Cpl Jean-Paul Marta CD decided to put a term on his military career after 20 years of honorable services to his country.

HELP WANTED!!!

Unfortunately Cpl Marta will need a replacement early in the next fiscal year, so if you are reading this, wearing a Cpl's Rank or maybe you know someone who wishes to have a second language profile or you already have one; you must put in a good word with the big man, Santa not the CM, let's be realistic! Here's a few qualities/criteria's that the member must meet, so we don't miss Cpl Marta too much:

- Must have vast line experience, field and static;
- Enthusiastic, easy-going and an absolute morale booster;
- Motivated but has no desire to move up the ranks; and finally
- Member must complain constantly, to help the Tps deal with the hole left by the member.

2 Line Squadron LLWC MTL / SJN / 77 Line Regiment

LLWC Montreal: with only one Sgt, one MCpl, one Cpl and one SSC member; Sgt Jean-Francois Comeau CD, MCpl Donald Mathurin, Cpl Jason Hervieux, and Bob Lepage had their hands full this year with a higher MAC demands than ever, low personnel and mandatory level 1 preventive maintenance within our AOR. Montreal has recruited pretty much anyone wearing a uniform (even blue...) to keep up with the work load. Cpl Alexandre Savard from 34 Bgd, brought support to the LLWC in exchange for training and experience. The member has been a great addition to our team and is quickly picking up the tricks of the trade, with the great mentorship of Cpl Hervieux and the Great Bob Lepage.

PRÉDICTION FOR 2019:

Members from both LLWC's are predicting that the wearing of the beards within the Line trade will now be reduced by at least 50%, due to that they're now legal. Who knew? It's all good, at least the Line trade can once again claim they have led the way for the rest of the followers.

Members from LLWC Montreal and St-Jean wishes everyone a year 2019 without emergency cable repairs and we are saluting all the Tps serving overseas. Special thoughts for our member, Cpl Jonathan Savard (Latvia) and his family during the Holidays.

Local Line Work Center Ottawa.

Once again, this is the time of year to hang up the boots and take a minute to slow down and appreciate time with family and friends. It's been a busy year and we have all worked so hard that a much needed rest is in order before the New Year. Now is a good time to recap the year's events within the NCR.

There have been many changes to the shop this year, with the departures of MCpl Dubois, MCpl Ryan, Cpl Knaggs and, Cpl Whittaker, as well as tour deployments from MCpl Grenier, Cpl Myre, Cpl Paquette, and MCpl Forgues who's slated for an upcoming rotation. This year we welcomed in, MCpl Kells from Petawawa and Cpl Dillon from the Reserves.

We hit the ground running at the start of 2018 with completion of many projects in the NCR, mostly due to the evolving construction of the Carling Campus relocation, 240 Sparks St new recruiting center, the move of hundreds of DND personnel out of Asticou to accommodate the students from Mont-Blue who's school was heavily damaged in the tornados. Along with the daily grind of operation processing of adds, moves, changes and with the occasional drive across the city to troubleshoot some mysterious faulty cables, only to discover it was a desktop phone not plugged in!

We also tackled some major projects within NDHQ including, but not limited to the reorganisation of secure rooms and rewiring of entire sections by installing fibre and cat6 capabilities, a MP antenna at Carling Campus Gate 3, started a maintenance schedule for MTR/TR building infrastructures around the NCR, and a number of large scale cable relocations for other departments in the DND family. Last but not least, we showed our Line Trade pride at the 1st ever 77 Line Regiment Parade held in Kingston, ON.

**MERRY CHRISTMAS AND HAPPY NEW YEAR
FROM THE MEMBERS OF LLWC OTTAWA!**

MCpl Kells

MERRY CHRISTMAS FROM 77 LR 1 LINE SQN

Season's Greetings and a Happy New Year to all, from everyone here at 1 Line Sqn CFB Kingston. We hope you all have ample time to recoup from the year's work and that the time is spent with loved ones.

As with all of you, our year has been quite full, multiple TAVs to Latvia (with yet another ongoing) and Ukraine, as well as jobs throughout Canada. Tasking such as cable installs in Wainwright, Cold Lake, and Petawawa as well as antenna jobs in Newport Corner, Leitrim, and the annual maintenance in Alert. As always, more detailed descriptions of the above and more can be found in the Cable. Even though most of us have spent the majority of the year away from home, most of us are still looking forward to just a couple more weeks of leave as we visit our families back home over the holiday season.

Speaking of family, new postings to our sqn this year include: WO Gummer, MCpl Thibodeau, MCpl Henry, and Sgt Brisson. Postings out include, MCpl Nava, MCpl Martineau, and Cpl Price. To all the new faces, welcome to your new home for the next couple years.

It was also an honour to have hosted you all during this year's IBTS training and Jean Romard Challenge. Having us all together as a regiment was quite the experience that most will not forget or remember? For those who could not make it, we hope to see you next time. Once again from all of us at 1 Line sqn, have a safe and fun holiday season, and keep up the good work next year!

MWO Rick Cooper
77 LR 1 Line Sqn
LCS

Season's greetings from CFJSR C Tp!

C Tp wanted to reflect on the accomplishments of this year. Looking back it has been an eventful year, with C Tp deploying to multiple locations overseas. We also said our goodbyes to posted out fellow lineman, MCpl Pelton, WO Skalaa and WO Poirier. We welcome new members to the unit MCpl Ross-Bergeron, Pte Betancourt, Pte Bennette.

We started off the year with Ex Hermes Angle in Petawawa where C Tp demonstrated our support capabilities for DART and NEO as well as our rapid reaction skills in winter conditions. Next MCpl Myers and Cpl Robinson deployed to Ex Steadfast Cobalt in Lithuania where they provided vital support for the training exercise.

During the summer months Canada took over a UN mission from Germany in Mali. In the beginning of July; Sgt Perron, MCpl Lafontaine, Cpl Laagland-Winder, Pte Palmer, Pte Guevara-Perez and Pte Kitt, were sent in culmination with the rest of JSR for OP Presence. Throughout their deployment the crew established the cable backbone on the base needed for the operation. In recognition of their exemplary work, the deployed crew received the commander's commendation.

Additionally, in the summer months C Tp deployed to Hawaii as part of Ex RIMPAC and to Jamaica to work on the OSH LAC. In the fall C Tp sent WO Villeneuve, MCpl Armitage, Cpl Robinson, Cpl Fleurant-Lamy, Cpl Palmer, Pte Lapierre, Pte Collard to Ex Trident Juncture, NATO's multinational joint exercise in Norway. C Tp worked ceaselessly in order to meet operational goals and established the necessary lines in the timely manner.

Lastly, as the year comes to a close, MCpl Myers, Cpl Liu and Pte Bate were sent to Bahrain to support the currently ongoing OP Artemis, where they will no doubt continue to maintain C Tp reputation for excellence.

With these thoughts in mind, we can reflect on C Tp's many accomplishments this year. It has most certainly been eventful but we also keep in mind the sacrifices members have made as a result of these operations, time spent away from friends and family. Without their support we would not be able to maintain our high operational capabilities. As a new year approaches, we can now look forward to new challenges to overcome and C Tp's continued praise worthy work.

Merry Christmas and happy New Years

CFSCE LINE TRAINING, KINGSTON

Well another year has come and gone. What a great and busy year it was at CFSCE as always. There was lots of changes to our staff. We said good-bye to WO Upshall who is now on a yearlong French course here in Kingston and is doing well. Sgt...oh wait Lt Fahie has left the trade for greener pastures (in his mind anyway ;) and has completed his BSOC course and has been posted to Ottawa. Sgt Tanguay is still gracing us with his presence and shifted over to standards. MCpl Perron was promoted to Sgt and posted to CFJSR.

So out with the old and in with the new. The man, the myth, the legend, WO Polak is now our Troop WO who was posted in from CFB Comox. MCpl Lecompte got promoted to Sgt and is now the course director of the DP 1.1. Cpl Lainey was promoted to MCpl and is shaping the young minds here being an instructor. The new members that were posted to CFSCE are MCpl Price came here from CFB Edmonton, MCpl Nava from 77 Line Ret Kingston, and MCpl London from CFB Gagetown who are all new instructors. Also, MCpl Miller and MCpl Rose (yes he's still alive) are here holding down Line Maintenance. The status quo who are still here are MCpl Carrier, MCpl Coreas, MCpl Michell, MCpl Maclean, and MCpl Desjardins.

It was a busy year with courses. We saw a lot of students come through again as we had 2x DP1.1 courses and 2x DP2.1 with a total of 58 students. We also had our 1st tech rigger course completed since 2012 here this year. Sgt Hawkins, and MCpl Coreas completed a week long RECCE at the UN Signals School in Uganda for possibly facilitating a future tech rigger course for UN personal throughout Africa. Our compound had some changes this year physically at CFSCE since our new fencing was installed and maintenance has been non-stop changing the cable yard and quazin hut.

We are all excited to see what fun things have instore for all of us here at CFSCE and on behalf of MWO Rose, and all the staff from Line Training we would like to wish all of our brothers and sisters from the line trade a very Merry Christmas and a Happy and Healthy New year.

Love your favorite Newfie

MCpl Brad Saunders.

Front Row (L-R) WO Polak, Sgt Lecompte, MCpl Carrier, MCpl Nava, MCpl Maclean, MCpl Lainey, MCpl Coreas, Sgt Hawkins

Back Row (L-R) MCpl Saunders, MCpl Desjardins, MCpl London, MCpl Price, MCpl Mitchell

Missing: MCpl Millers, MCpl Rose

Merry Christmas and Happy New Year
From
4 Line Squadron LLWC, Kingston

It's has been a great year here at 4 Line Sqn LLWC Kingston with new members being posted in. Sgt Cleveland is firmly in control of the shop and running things from the command center here at MD 29. Keeping the troops full of work and rolling every day, while working with SSC and CFB Petawawa chain of command. MCpl St-Louis is right by his side advising, planning and ensuring that work is being done and on time. MCpl Fullwood (AKA WOODY) fresh in from CFB Dundurn brings in a vast array of knowledge. Cpl McDonald is managing the vehicles and equipment needs for the shop. Over the past year we had the opportunity to employed two retired lineman, Rob McKay and Al Purdy who brought their knowledge contributing to the LLWC Kingston accomplishments and success. Last but not least NCdt Charron has been with us since Apr while awaiting on his occupational transfer. The man is a learning machine!

Al Purdy Installing GPS at CFSCE

During the last year we have been very busy keeping up with dig locates, move adds and changes and also by contributing to the OSP installation of copper and fiber to the new construction sites throughout the base. Some of the challenges we have faced over the past year are finding buried manholes and trying to keep the existing fiber up and running to the training area.

With 77 Line sending down requests for members to deploy, 4 Line has stepped up to answer the call. We have sent members over to Brussels, Alert and with more upcoming there will be plenty of opportunity to work abroad.

Left to Right MCpl Fullwood, MCpl St-Louis, Cpl McDonald, Al Purdy, NCdt Charron... Missing Sgt Cleveland (Deployment) Rob McKay.

Yes, it looks like the future of the 4 Line Sqn LLWC is going to be busy, with no let-up as we continue the great work. It's good that we get a little break to spend some time with family and friends for the holidays, so from all of us, Steve, Marty, Yan, Eric, Al, Rob, and Zack we want to wish you all a merry Christmas and happy New Year!

2 CMBG HQ & Signal Sqn – Line Section

This year was another typical year for 2 CMBG HQ & Sig Sqn Line Section. Very busy calendar with members deployed and career courses while supporting everything from their own Unit commitments throughout the year and extended as far out as sending a 6 man crew out to Wainwright for Ex MAPLE RESOLVE 18 which would mark our 6th in a row.

Despite the tempo we still managed to support Op REASSURANCE in Latvia on 2 separate occasions, Op CADENCE in St-Ir nee QC and a several exercises for just about every Unit within the 2 Bde. The section comprised of Sgt Hunter (Deployed), MCpl Laframboise, MCpl Battiste, MCpl Krieger, MCpl Benner (albeit briefly), Cpl Tan, Cpl Gagnon, Cpl Whittaker, Cpl Harris, Cpl Fidor (our first OT from 1RCR during ACISS crisis), Cpl Hutchen, Cpl Mongeon, Cpl Pattinson, Cpl Ratz, Cpl Bordage, Cpl Duclos, Pte Paradis, Pte Valencia, Pte Arial all managed to keep morale high and standards up. Our summer consisted of planning, canvassing and running the 20th Annual CAFL fishing derby which was another huge success and we hope to make it better again next year with your support. Our fall and winter schedule was once again laden with close to a dozen exercises including Ex FINAL GLORY, supporting CFSCE's training of the next generation of signals officers. This culminated into the Holiday season where the members of 2 Bde Line Section will enjoy a well-deserved break.

From all of here doing the army thing...Merry Christmas and a Happy New Year to all our Line brothers and sisters from Coast to Coast and overseas.

Written by: MCpl Laframboise

Merry Christmas and Happy New Year
From
4 Line Squadron HQ, Petawawa

Merry Christmas and a Happy New Year to all, from Maj MacLellan (OC 4 Line), MWO Thibault (SSM), MWO Hewitt (LCS) and all members of 4 Line Squadron team.

It has been another busy year for the Sqn, especially with all the over sea deployments and the never-ending tasking thrown at us, we have no choices but to focus and to work together as a team and get the troops ready and out of the door.

The HQ finally moved out of the trailer located in the parking lot of Bldg S-111 and got re-located in building O-106 (also known as the JSR building). Now 4 line HQ and RLWC are collocated under the same roof making it easier to complete administration and day to day activities.

We had a significant number of our members deployed over sea this past year, starting with Sgt Slaney and MCpl Leblanc who returned from OP IMPACT on June 18, WO Beaton returned from OP REASSURANCE on Nov 18, Sgt Letendre returned from OP IMPACT on Dec 18.

We currently have Cpl Viau and Cpl Evans deployed on OP REASSURANCE. We also have a crew deployed on a TAV for OP REASSURANCE (Sgt Gosse, MCpl Clavet, Cpl Belanger-Landry and Cpl McNair) scheduled to return end of Dec 18. We had a crew deployed to Alert for several weeks to complete cable maintenance, a crew deployed to Cold Lake installing fibre cable and another crew deployed to Gander to complete a tower construction. 4 Line Sqn also managed to bring all its personnel to Petawawa for line refresher training and PD sessions. We also hosted a men festive dinner while all sqn members were together for the first time, it was a great boost to unit esprit de corps and moral.

2018-2019 has been very busy year and 2019-

2020 surely won't be any different but, we "4 Line Sqn Team" are ready to take on all the challenges that 2019/2020 throw at us.

On behalf of the 4 line Sqn team, I would like to wish all a Merry Christmas and a Happy New Year...

Front Row: WO Beaton, Capt Karnib, MWO Thibault, Maj MacLellan, MWO Hewitt, Lt Dupuis and WO Beatteay.

Center Row: Sgt Horwood, MCpl Kearney, Mr. Pete Rowe, Cpl McDonald, Sgt Slaney, Cpl Marshall, Cpl Closs, MCpl St-Louis, Sgt McQuay, MCpl Toms, Cpl Roussel, Cpl King, Cpl Duclos, Mrs. Stacey Green, Dave Shillington, Mrs. Paula Benn, Mr. Joe Crossman and Mr. Gord Shellenberg.

Back Row: Sgt Neilson, Cpl Burton, Cpl Matthews, Cpl Lamoureux, Sgt Gilroy, MCpl Leblanc, MCpl Fullwood, Sgt Roy, MCpl Fraize and Cpl Olliffe.

Missing member: WO Hache, Sgt Cleveland, Sgt Letendre, Sgt Gosse, MCpl Blaquire, MCpl Clavet, Cpl Viau, Cpl Johnston, Cpl Brammer, Cpl McNair, Cpl Daigle and Cpl Belanger-Landry.

Merry Christmas and Happy New Year
From
4 Line Squadron LLWC, Petawawa.

Season's Greetings and Happy New Year from the team at 4 Line Sqn, LLWC Petawawa. It's that time of year again where we say farewell to the last and prepare to usher in the beginning of another. 2018 has come and gone, and with that, the addition of some new faces. The LLWC currently consists of Sgt Jeff Neilson, MCpl Josh Fraize, Cpl Scott Matthews, Cpl Kristan Duclos, Mr. Dave Shillington and Co-op student, Joe Schweyer.

With the welcoming of incoming members also comes saying goodbyes to others. This past year saw MCpl Kells leave for Ottawa, MCpl Krieger to 2 HQ & Sigs, and Cpl Spence began her transition as a full time college student.

With the Garrison's Infrastructure constantly being upgraded, it has been a busy and productive year of MACs, OSP, ISP maintenance and Locates. Given the increasing tempo of 77 Line Regiment, 2019 is shaping up to be even busier as we embark on evermore deployments overseas.

From the entire crew at LLWC Petawawa, we would like to wish you and yours Happy Holidays and a Joyous 2019.

Left to right: Sgt Neilson, MCpl Fraize, Cpl Matthews, Dave Shillington.

4 Line Sqn Team Group Photo.

Merry Christmas and Happy New Year
From
4 Line Squadron RLWC, Petawawa

Season's Greetings from snowy Petawawa! It's been a busy 2018 for us at the RLWC, with an ever increasing tempo, we yet again rose to the challenge and met every project head on. Both crews were heavily involved conducting all kinds of maintenance and cable installations throughout Ontario and Quebec, such as providing support to OP Cadence in Valcartier to repairing an antennae on the CN Tower. To top it off we also supported and deployed to OP Nevus in Eureka Nunavut, completed a portion of the Cold Lake upgrade project and sent a crew to Latvia. That wasn't enough so we sent WO Beaton to Latvia for 6 months and Cpl Viau left a few months ago for the same spot.

70 feet Pole repair in Kingston

Fiber Pulling in Cold Lake, Alberta

We want to congratulate Cpl Johnston on the birth of his daughter Sophia, back in late Feb, she came 4 months early excited to see the world, it was a rocky start to say the least but we're super happy she's now thriving, he recently came back from parental. During this APS we saw a few changes. We said goodbye to MCpl Simms who left for Field Hospital and Cpl Pattinson left in Apr for HQ & Sigs. We also said goodbye to our SSM, MWO Grandy, who after 28 years of service retired to focus on family and Donairs! In return Cpl McNair was posted in Apr from HQ & Sigs, MCpl Leblanc came in from Petawawa LLWC in Aug and MCpl Clavet from 2 HQ and Sigs. All were eager to join the RLWC and hit the road to show what they had.

Throughout the year, we also found time to complete some training. Cpl Daigle just returned from his DP2.1, Cpl Burton completed the DL portion of his PLQ and will be going to sunny Meaford to complete the residential portion in Jan 19.

Looking back on the year, it was filled with exciting adventure and filled with wonderful memories, now it's time to relax with our families and enjoy Christmas. As one of our crews returns from Latvia just in time for Christmas, we want to send our best wishes to all those deployed during this holiday season.

Lunch Break in Eureka, Nunavut

Antenna Maintenance on top of the CN Tower

On behalf of all those at the RLWC we would like to wish everyone a Merry Christmas and a safe and Happy New Year!

Merry Christmas and Happy New Year
From
4 Line Squadron LLWC, Trenton

The year at 4 Line Sqn, LLWC Trenton may have appeared to be low key on the surface, but we remained busy as usual. Speaking of being busy... the line fraternity here in Trenton has been grown by two new little ones; Penelope Blaquiere and William Roussel. MCpl Blaquiere and Cpl Roussel were on paternity leave for most of the year, but now Cpl Roussel is back in the fold and we are looking forward to getting MCpl Blaquiere back in the New Year.

We are beginning to get comfortable in our new roles within the not so new 77 Line Regiment, and are starting to see the Regiment bearing fruit. Cpl Marshall is slated to go on tour in the New Year and during the earlier part of this year, we saw Sgt Slaney off on deployment in support of OP IMPACT. He left for his tour in Kuwait on December 09, 2017 and returned on June 13, 2018. Between the Paternity leave and the deployment, this left the workforce remaining in Trenton to bare all the MACS and maintenance functions for the Wing. We are very fortunate to have SSC embedded Lineman with us to help us in our efforts. Without Mr. Hupman the service to the Wing would greatly suffered.

After taking well-deserved summer leave, Cpl Marshall, Sgt Slaney and Cpl King represented Trenton in celebration and at training at CFB Kingston. This would be the first time the Regiment marched together as a whole. Right after Kingston the crew jumped into Antenna maintenance at Carrying place and Point Petre Ae site while Sgt Slaney was called to CFSCE to assist in the development of the new Line Apprentice and Line Journeymen courses (DP 1 and DP 2). While it may have been a tough road of trials and tribulations during the SSC stand-up and the trade amalgamation we are finally starting to see a light at the end of the tunnel with the birth of the Regiment and the return to our own independent trade.

Cpl Marshall is eager to serve Canada and represent the trade overseas in the New Year and Cpl Roussel is standing behind him on deck ready for his chance.

From all your brothers at 4 Line Sqn, LLWC Trenton; we wish you all a Happy Holidays and/or a Merry Christmas. May the New Year bring you and your families all much joy, health and happiness.

Merry Christmas and Happy New Year
From
4 Line Squadron LLWC, BORDEN

The Line shop is no longer where it used to be, building O-155 has been torn down over this fall 2018. We are now co-located with Shared Services Canada in building O-216. Line Crew had to pack and load all their tools / supplies and move to O-216. The sprung shelter has been torn down and all material have been temporary moved in building T-83 until we have go moved everything again to another temporary location on the south side. Several locates was completed due to Borden expansion with that being said, several cables had to be repaired after being damaged by contractor.

We normally operate with a total of 7 members, one Sgt as the LCF, one Sgt in the design position, a MCpl and four Pte/Cpl. With three vacant Pte/Cpl positions and Sgt Letendre who was deployment for the last 6 ½ month it has been difficult to complete our mandate and provide support to CFB Borden. LLWC has accomplished some of their main duties,

maintaining CFB Borden cable plant in a suitable status.

Camp Borden is located in Simcoe County West of Barrie, Ontario and we are responsible to maintain the cable plant that covers approximately 500 kilometre squared with over 300 buildings.

Merry Christmas and Happy New Year
From
4 Line Squadron Meaford

WELCOME TO MEAFORD, 4 Canadian Division Training Centre:

Le paradis pour un et l'enfer pour les autres, ou la vie commence et la logique arrête. Meaford et un paradis pour sa beauté, sa splendeur et ses riches naturelles. Bercer par la Baie Georgienne, elle regorge d'une multitude d'espèce de poisson et la chasse est excellent pour les chanceux qui travaille sur la base mais pour les malheureux qui viennent faire un séjour de formation, c'est une autre histoire!

Meaford c'est un centre excellent reconnu par l'Elite mondial. Pour ma part je suis du bon côté point de vue travail. J'ai la chance de faire partie de l'organisation et d'accomplir mon devoir en tant que LCF. Sa me prend approximativement 2 mois pour faire la maintenance du réseau de câble. Ceci comporte les 4 sites d'antenne ou je dois effectuer la 1^{ère} ligne de maintenance, un puit d'accès, plus de 512 poteaux et 38 salles de communication (MTR, TR, Closet, etc). Donc, il me reste beaucoup de temps pour faire de la pêche et d'aller faire quelques redonnées de chasse pendant la saison.

Pour les gens de Kingston, si vous avez besoin d'aide, je suis disponible. Vous n'aviez qu'à contacter ma chaine de commandement et demander pour moi.

MERRY CHRISTMAS & HAPPY NEW YEARS.

Sgt Yan Roy.

Merry Christmas and Happy New Year
From
4 Line Squadron LLWC, North Bay

LLWC North Bay is made up of of 3 x members, MCpl Shane Toms, Cpl Adam Olliffe and Cpl Tom Evans. 2018 has proven to be a very busy year for the LLWC North Bay. We had members deployed with OP Cadence, OP Impact as well as one members on a Tav to Slefkant Germany during Octoberfest! We were on various exercises, taking place at Connaught ranges (Ex Ready Climber) and CFB Kingston (Ex Collaborative Effort).

LLWC North Bay put a few miles on the work truck this year traveling all the way up to Thunder Bay and as far south as Windsor to perform 1st line maintenance inspections at armories all across Northern and Southern Ontario. Once all the good TD trips are out of the way we continue to provide 1st line maintenance / Locates and MAC's to our own base at 22 Wing. As we look forward to the challenges , tasking's, tours, etc. that 2019 will bring would like to take this time to wish the members of the Line Trade and their families a warm and safe holidays wherever they may be.

Merry Christmas and Happy New Year.

Happy Holidays & Happy New Year From 3 Line Sqn, RLWC Edmonton

It's that time of the year again where we take a break from our busy schedules and spend some much needed time with our friends and families. We will start with members that have moved on. Firstly, we said a fond good bye to Sgt Scott Anderson as he moved over to the LLWC here in Edmonton. Newly promoted, Sgt Mark Gilroy is seeing a lot more of eastern Canada due to his recent posting to Petawawa, Ontario. Not moving quite as far east, MCpl James Davenport now gets to see the lakes of Manitoba with his recent posting to Shilo. Lastly moving in the opposite direction, Cpl Dustin Turpin was posted to Esquimalt in BC, where he will enjoy some outstanding ocean views.

Now for the members that have joined us in this little place we call home. We would like to welcome Sgt Joel Merrifield who made the short march to us from across the street at LLWC Edmonton.

We had one overseas deployment this year, Cpl Brodie Saunders is enjoying some eastern European sights in Latvia and we wish him happy holidays from all of us at 77 Line Regiment, while he is deployed. Meanwhile, future deployments for members of the RLWC are looking optimistic and we have a couple of troops in the hopper for the next set of rotations and TAVs.

As for the rest of RLWC, we went as far west as windy Masset tackling the FRD-10, aka "The Elephant Cage", as far north as Iqaluit, Nunavut checking out the northern sights and twice put in seven (7) week 'long trips' east to Cold Lake to install OSP fiber. We also deployed many times to other bases and establishments to conduct maintenance, in between, doing what we do best.

All in all it's been a great year for us here at the RLWC and we wish you all a

~Happy Holidays and a very Happy New Year~

Cpl Dan Hauck

Season's Greetings from 3 Line Sqn LLWC Edmonton

It has been another busy year for the Local Line Work Center. Edmonton has been working hard updating their cable records, repairing damaged splices in maintenance holes, completing MACs or small projects, such as installing eleven (11) new lightning arrestors at 408 THSqn.

We have also had many new faces coming in and replacing those who have departed like Sgt Merrifield, newly promoted Sgt Smith and MCpl Jesso have all left to go to the RLWC Edm, RLWC Halifax and LLWC Suffield respectively. Sgt Anderson has come over from RLWC Edm to join newly promoted MCpl Shea and Cpl Hedstrom. Joining the team as well was Cpl Hatungimana from 1 CMBG HQ and Sigs and Pte Mai off his DP 1.0. to round out the new team.

As Christmas Leave draws near, we just want to say Merry Christmas to all members of 77 Line Regiment and their families. We hope you have a holiday full of happiness and cheer! Enjoy the time off with family and friends and those who cannot be with their families due to deployment, we are thinking of you all – stay safe. All the best to everyone this Holiday Season!

Sgt Anderson

Pte Mai, Cpl Hedstrom, Cpl Hatungimana, and MCpl Shea

Happy Holidays From LLWC Cold Lake

Merry Christmas from LLWC Cold Lake! This year was very busy supporting the mandate of the 77 Line Regiment. We had Cpl Maynard on OP IMPACT Roto 7 and Pte MacNeil on PATA for a better part of 2018. MCpl Brisson was promoted to Sgt and posted to the NLWC Kingston in July. To top things up, another Maple Flag exercise "51". Training was a large focus for the LLWC this year. Cpl Trilinski attended and successfully completed his PLQ while Sgt Korosi completed a H2S Alive course. The Wing fiberization is now nearing its first year of completion, seeing crews from Kingston, Petawawa and Edmonton all rotate through. Of course, there were also many hours spent on MAC's and cable locates which with the mandated inspection and maintenance rounded out our year. We are all looking forward to what the next year will bring and wish you all a Merry Christmas and Happy New Year.

2018

Season Greetings from 3 Line Sqn LLWC Suffield

Happy Holidays from LLWC Suffield. The past year has been full of changes for our little shop on the prairie. While we bid farewell to the newly promoted MCpl Savoy and Sgt Yashuk, we welcomed MCpl Jesso, Cpl Binette and Cpl Parks. Along with the mandated maintenance provided to the base, our crew has also been on the road for Armoury maintenance in Lethbridge, hockey games (with maintenance on the side) in Calgary, pole line in Wainwright, refresher training in Edmonton and for those who can remember, the now infamous week in Kingston. We have also spent a lot of time in our ever-troublesome ammo compound with trenching new routes for our lines, rebuilding pedestals, and the constant troubleshooting of the existing infrastructure. We are now looking forward to the change of pace of ISP Maintenance during the winter. We will soon be lending Cpl Arsenault to the next rotation overseas, where we are sure he will finally learn to put all his training to great use in a theatre of operations, and not the ACISS Core world.

Merry Christmas from LLWC Wainwright!

This year was very busy supporting the mandate of the 77 Line Regiment, we had Cpl, now MCpl Davis, on OP IMPACT Roto 6 and MCpl White on OP IMPACT Roto 7.

Cpl White released from the service in June and Pte Hanger was posted to us in July, fresh off his LST DP1.1. Training was a large focus for the LLWC this year. Pte Hanger attended his LST 2.1, MCpl Davis completed his PLQ DL, and all members completed Confined Space Awareness Training, and Fall Arrest Awareness Training.

The Ammo Compound Fiberization project is completed now which will eventually alleviate many countless hours testing and repairing the decrepit buried copper cable.

Of course there were also many hours spent this year on MAC`s and cable locates which with the mandated inspections and maintenance rounded out our year.

The LLWC managed to secure some pretty sweet real estate with the relocation from B109 to B649, some might even say the new shop could be the envy of Western if not All of Canada!

We are all looking forward to what the next year brings and wish you all a Merry Christmas and Happy New Year .

From all the members of LLWC Wainwright, Merry Christmas and Happy New Year!

GREETINGS FROM LLWC DET COMOX

Here we are with the holidays fast approaching and CFB Comox has no snow as of yet. We had been a section of 5 for first half of the year, but in late August we lost Cpl Collins due to an occupational transfer to become a clerk. We also had to say good bye to WO Polak, we wish him the best to his new position at CFSCE. In his place we welcomed the arrival of Sgt Yashuk.

This year has been rather eventful. There has been an increase in construction on the Wing. Maybe it just seems like that because we are out doing locates almost daily but Sgt Yashuk, MCpl Haché, Cpl Viotto and myself (Cpl Wilson), are still able to keep Comox's Cable plant functioning while keeping up with the high tempo of 77 Line Regt.

From all of us here at CFB Comox, Happy Holidays and have a great New Year!
VVV

Cpl Wilson

Season's Greetings From LLWC Yellowknife

Well some will say 'It is what it is, welcome in the North'.
Actually it will be a good time to visit us, as of today it is only minus 5 degrees.
To my knowledge, this is a bit odd for the time of the year, but I will not complain, even shut up about it before I jinks myself.

This was the first year being part of 77 Line Regt, 3 Line Sqn LLWC Yellowknife and it was quite a transition to make. The transition as a Regiment is an ongoing process actually, as we are now more a force generator more than first line maintenance oriented unit. Well Cpl Seguin is not arguing as he visited Germany for a TAV. He loved it. Me, not so much, as I was the only one left here in Yellowknife. Sucks to be the LCF, my Cpl will tell you, LOL.

Beside that, we were kept busy with antenna maintenance during the RLWC Edmonton Northern Swing, as well with regular maintenance in town, and a couple of projects, such as the Trinity building MTR refit that we just finish up.

The appreciation dinner in Edmonton as a Sqn was nice and appreciated. That gave us the opportunity to visit the big mall (West Edmonton Mall) to do some shopping for Christmas. I will say that again just in case the message didn't pass in Edmonton: living in the shacks wasn't that great. I know, I know, what they will say: "it is what it is".

Anyway, Have a great Christmas, and Happy New Year! Enjoy yourself, and take care.

Yellowknife

Just Kidding!

Happy Holidays from OP IMPACT Roto 7

Stepping off that plane on to the tarmac in June was like stepping into an oven, tired and totally jet lag, but very excited to be here. The excitement didn't last forever though...

One of our first jobs was repairing a security camera that the previous Roto couldn't seem to figure out. We replaced the CAT 6 with FOC but that didn't seem to solve the problem, turns out the camera had been struck by lightning and it fried the connector. Once repaired the camera was back to its former functioning glory.

Pte Marshall repairing camera #6

Wonder what these cables are for? I'll just cut them off.

During my HLTA a lot happened. Cpl Maynard (Reggie) and Pte Marshall went to Iraq for a week to complete ISP inspections and upgrades to the infrastructure. A day before they were due to return to Camp Canada, CE decided to cut into what they thought was a water pipe, on the west side of Camp Canada. Turns out it was one of our conduit which housed a 200PR copper cable and some other cables. Sgt Letendre and WO Michaluk were the only linemen on ground, they pulled the new cables and started terminating. Cpl Maynard (Reggie) and Pte Marshall returned from Iraq and completed the job.

Another job we had was wiring up a trailer the Americans gave us, but first CE had to dig a trench so we could install conduit from a manhole for a 25PR and 12 strand FOC. In typical CE fashion they struck and broke our conduit doing minor damage to the sheath of a 50 PR cable. Cut and damaged cables seemed to be a reoccurring theme of our tour. Off to a good start, we were given a week to pull, terminate, complete a copper and fusion splice, install panduit raceway and structure wire the trailer. MCpl White and myself occupied ourselves with the trailer while Cpl Maynard (Reggie) terminated the splices in the manhole, we finished the job with days to spare. The trailer remains empty to this day.

November was one of the wettest months on record, Camp Canada became Lake Canada. A far cry from the sunshine and 50+ degree weather we experienced in the summer months.

Cpl Maynard (Reggie) was the proud and surprised recipient of the CJOC Commander's coin; he received the coin for having ~~the most glorious beard in the JOA~~ a work ethic and drive that exceeded all expectations. Congrats Reggie!
LGen Rouleau, Cpl Maynard, CPO Grégoire

Roto 6 painted their mural on a t-wall, we painted ours on a piece of plywood and mounted it on

the roof of our shop. Top that Roto 8!

WO Michaluk, Sgt Letendre, Cpl Gibson, Mcpl White, Cpl Maynard

With the arrival of Roto 8 marks the end of our six months in Kuwait, it was a good experience but we are definitely ready to be home with our families in time for the holidays. Roto 8 will be celebrating Christmas in the desert, please don't forget about them.

WO Michaluk, Cpl Sorensen, Sgt Tremblay, Sgt Letendre, Mcpl Grenier, Cpl Evans,
Cpl Maynard, Cpl Gibson, MCpl White

Retired Linemen Liaison Officer Article

FELLOW LINEMEN,

My apologies for not generating more correspondence to our Retired Linemen Community Members over the past year. As most of you know our association's National Executive Committee (NEC) has been endeavouring to update our membership list so that the name of every person who has ever been an Army or CF Lineman is on the list.

The list will be a long one but once finished and gone to press it will once again provide all of the contact info that we all need to contact one another. I am not sure when the list will be ready for distribution but it is being worked on as time permits.

There wasn't any news in the "Breaking News" category in 2018 so not much to pass on. The news cycle is of course a two way thing so if any of you have an item of importance that you think will be of interest to the membership please pass it on. I know that some of you are on Facebook and other social media sites so you are likely to get info through that means.

For our chapter presidents if you know of any retired Linemen in your geographical area please try to contact them. An invite to a mtg, beer call, BBQ, sporting event, etc is a great way to bring a retired Lmn back into the fold. I can provide names and contact info for retired Lmn in most areas of our country so if you are interested in reaching out to someone but don't have his/her contact info let me know and I will do my best to get the info to you. Some of our retired members may have lost their lifelong partners over the past few years or have other situations where we could offer help if we only knew.

As we proceed into the New Year ahead please remember one of the purposes of our association is to keep in touch with one another and to help any member of our Linemen Family in a time of need.

My best wishes to each of you for a Merry Christmas and the best of health and happiness in the years ahead.

VVV

CAFL Family Scholarship

Approved during the sixteenth annual CAFL General Meeting held in Cornwall Ontario on 21 February 2005, the CAFL Family Scholarship was established to provide financial assistance to CAFL member's dependent attending a full time program at a recognized post secondary institution such as University, Community College or Technical Institutes.

The funding of this scholarship will originate from annual membership dues or private donations held and managed by the National CAFL executive. The awarding of the scholarship began in school year 2005- 2006 and will carry on at the wish of the membership and as funds remain available. The scholarship was amended in February 2014 at the 42 annual LTC in Cornwall On to only require one (1) applicant for the scholarship to be awarded.

Amount:

A single \$300.00 scholarship will be awarded annually during the Annual General Meeting (AGM).

Eligibility

Note: As approved during the CAFL General Meeting held in Cornwall Ontario on 21 June 2010, the CAFL Scholarship's eligibility was extended to include grandchildren and siblings (brothers and sisters).

Eligibility to the scholarship will be based on the following criteria:

a. applicant must be a sponsored dependent (**children, grandchildren, brothers, sisters or spouse**) of a CAFL member in good standing (paid up);

Note: For clarity, extended family such as nephews and nieces are not to be considered as dependants.

b. must be enrolled and registered in a full time program at a post secondary studies institution for the year of application;

c. must apply, in writing, to the CAFL National Executive Committee **no later than 13 Jan** in the calendar year which schooling starts and include the following information (see attached form):

- i. name and particulars of sponsor (CAFL member);
- ii. name and particulars of applicant (CAFL member's dependent);
- iii. a copy of high school diploma;
- iv. a copy of post secondary institution's acceptance letter;
- v. a copy of registration fee receipt of a post secondary institution;

CAFL Family Scholarship

- vi. a copy of a birth certificate or certificates showing the relationship with the CAFL sponsor as follows:
- **Children:** birth certificate showing relationship with CAFL sponsor.
 - **Grandchildren:** birth certificate showing parent names **and** parent's birth certificate showing relationship with grand parent (CAFL sponsor).
 - **Spouse:** marriage certificate or proof of common law relationship with CAFL sponsor.
 - **Brothers or Sisters:** applicant's birth certificate and CAFL sponsor's birth certificate.
- d. the post secondary institution must provide full time programs which leads to a collegial or university degree;
- e. all eligible applications received by the National CAFL Executive Committee will be entered into a "simple draw from the hat";
- f. the draw will be held annually during the Annual National Line Tasking Meeting, and
- g. the scholarship cheque will be sent by mail following the Annual National Line Tasking Meeting.

Duration:

Dependents can apply yearly as long as all criteria are met. Dependent can only be awarded the CAFL Family Scholarship one time.

Accessibility:

Only one yearly application per CAFL sponsor will be accepted.

Minimum entry:

As voted during the 25th annual CAFL meeting held in Cornwall in February 2014, the scholarship awarding requires a minimum of one (1) nominations / applications from the membership. If the minimum nominations / applications are not received, the awarding of the scholarship will be deferred to the next year.

Signature of Applicant _____ Date _____

Signature of CAFL Member _____ Date _____

Email your application and supporting documents no later than 13th January of the current year to caflnec@cafl.org. If you have no internet access, please mail a hard copy to the address below.
CAFL Family Scholarship, P.O. Box 64064, Holland Cross RO, Ottawa, On. K1Y 4V1
 Attn: Kevin Duffett.

CAFL MEMBERSHIP LIST 2018

Dear members,

Please find, in the following pages, a membership list which identifies past and present CAFL members as well as respective membership status.

This membership list is a living document which needs to be constantly updated to permit us to better serve you.

To that end, your assistance is solicited in identifying discrepancies, omissions and, hopefully, additions.

Mr. John Campbell, CAFL Membership Representative, can be contacted via e-mail at john.campbell3@forces.gc.ca .

Your assistance in this important matter will be greatly appreciated.
